F.R. 330.

An Act

To amend Section 18 of an act entitled "An act to provide a more efficient public road system for the County of Montgomery" passed by the 24th Legislature of the State of Texas, approved April 15th, 1901, prescribing the compensation of County Commissioners when acting as Road Commissioners in said County, and declaring an emergency.

Be it enacted by the Legislature of the State of Texas:

Section 1. That Section 18 of an act entitled an act to provide a more efficient public road system for the County of Montgomery, passed by the 24th Legislature of the State of Texas, and approved April 15th, 1901, be amended so that hereafter it shall read as follows:

Section 18. Every Commissioner when acting as Road Commissioner and performing the duties imposed upon him by law or by the Commissioners Court, shall be entitled to three dollars per day for services actually performed; Provided, Said sum to be paid him shall not exceed one hundred dollars per quarter which amount shall be paid out of the Road and Bridge Fund when the account shall have been approved by the Commissioners Court and the Court shall not approve said account unless the Commissioner presenting it shall sign an oath that the account is just and true and unpaid, specifying the number of days actually performed by him and that it was necessary to be done; and no Commissioner shall be entitled to pay as Road Commissioner, either for himself or his deputy, while he was performing the duties as County Commissioner, nor shall he receive any additional pay than that provided for by this section for inspection or riding over his roads, or for any other road service.

Section 2. The effect that there is now no law authorizing the payment of Road Commissioners of Montgomery County, Texas, adequate compensation for services while discharging that duty enjoined upon them by law and the Commissioners Court, creates an emergency and imperative necessity that the Constitutional rule requiring bills to be read on three several days be suspended and that this act take effect and be in force from and after its passage and it is so enacted.
